EnviroCap Debt Financing

May 31, 2003

Tampa's Hyde Park Capital Advisors LLC has arranged \$28.7-million in debt and equity financing for EnviroCap LLC. EnviroCap finances reimbursement claims paid from state trust funds for environmental remediation projects that clean up leaking underground storage tanks. Customers of the Tampa company include Sunoco, Shell and ConocoPhillips. EnviroCap was started in 1998. Financing came from SunTrust and Republic banks.
