Tampa Bay Business Journal - 5:44 PM EDT Monday, June 25, 2007

Associated Asphalt Inc. has bought E.A. Mariani Asphalt Co. of Tampa.

The purchase price was not disclosed. Hyde Park Capital Advisors LLC, the investment banking subsidiary of Tampa-based Hyde Park Capital Partners LLC, served as the investment bank for Mariani in the deal.

Mariani supplies quality paving grade asphalts and emulsions throughout the state of Florida. The company also distributes liquid asphalt through its deep-water terminal located in the Port of Tampa.

Mariani had been a family-owned company for 60 years and was in its third generation of Mariani stockholders, according to a release. Associated Asphalt has a similar entrepreneurial culture and dedication to quality, George Mariani Jr., president, said in the release.

Associated Asphalt has supplied asphalts to the mid-Atlantic United States for almost 60 years, the release said. Associated, headquartered in Roanoke, Va., is an affiliate of ArcLight Capital Partners LLC, one of the world's largest energy infrastructure investing firms, with more than \$4.6 billion under management.
