

## **Hyde Park Capital Advisors, LLC Closes \$10 Million Financing for Litestream Technologies, LLC**

**Tampa – June 4, 2003 – Hyde Park Capital Advisors, LLC** is pleased to announce the closing of a \$10 million equity offering for Litestream Technologies, LLC, a Tampa, Florida-based telecommunications services provider. American Capital Corporation of Jupiter, Florida was the sole investor in this transaction. Hyde Park Capital Advisors, LLC, the investment banking subsidiary of Hyde Park Capital Partners, LLC, served as Litestream's exclusive placement agent in the transaction.

"Completing this financing was a major milestone for Litestream and will further fuel our rapid growth", said Robert Rubin, President of Litestream. "We look forward to having American Capital Corp. as a shareholder and a partner with a shared vision to help us grow Litestream into a large telecom services company. We appreciate the hard work of Hyde Park Capital in arranging this financing for us in a very difficult private equity market."

"We believe that our acquisition of a majority interest in Litestream Technologies will make a significant contribution in achieving the overall objectives of American Capital Corporation. We look forward to a long and mutually beneficial relationship with TECO Fiber, Inc.", said Patrick Harrington, Chairman of American Capital Corp.

"In spite of a very challenging capital raising environment for early-stage telecommunication services firms, Litestream's experienced management team, compelling business model and tremendous progress since inception resulted in the company receiving significant investment interest", said John McDonald, Managing Director for Hyde Park Capital. "We are pleased to have been selected by Litestream to arrange their growth financing and believe that Litestream is well positioned to achieve its growth objectives with this new capital investment."

### **About Litestream Technologies, LLC**

Litestream Technologies is a rapidly growing captive facilities-based provider of bundled services including telephone, cable, high-speed Internet, and alarm monitoring services to new residential master-planned communities in Florida. The services are delivered over high-quality fiber optic distribution systems installed by Litestream within each community using state-of-the-art technology and are originated out of local physical head-ends built and owned by Litestream. The company is based in Tampa, Florida and is partially owned by TECO Fiber, a subsidiary of TECO Energy, Inc. For additional information about Litestream, call (813) 228-4730.

### **About American Capital Corporation**
