LITESTREAM GETS CASH

BUSINESS TODAY Series [SOUTH PINELLAS Edition]

June 10, 2003

Litestream Technologies LLC has secured a \$10-million equity investment from American Capital Corp. of Jupiter, according to Hyde Park Capital Advisors of Tampa, which handled the deal. American Capital now holds a 51 percent stake in Litestream, a Tampa provider of bundled telecom services to new residential developments in Florida. TECO Energy Inc. retains a 35 percent interest, with the remainder held by Litestream president Robert Rubin.
