

## Tech firm getting funded

Tampa Bay Business Journal - June 6, 2001

Multi-million dollar financing is on its way to Decision Management International Inc.

Hyde Park Capital Advisors LLC has closed on a \$14-million round of financing for the software firm.

Hyde Park Capital, a technology-focused investment banking firm in Tampa, raised the equity capital from MedEquity Investors LLC in Wellesley, Mass., and Halpern Denny and Co. in Boston.

As a result of the deal, Peter Gates, MedEquity's managing director, and George Denny, partner in Halpern Denny, will join Decision Management's board of directors.

Located in Bradenton, Decision Management offers software to pharmaceutical, biotechnology and medical device firms.
